## MESSAGE FROM PRINCIPAL'S DESK

It is a matter of great pleasure and profound satisfaction to me that the FYUGP admission prospectus is being released by the college. The time will come for the students to take admission in the Four Year Under Graduate Programme in the best institution they opt for. Jaleswar College is the only Higher Education institution in the remote area of Goalpara District which caters the needs of the poor and downtrodden students. The college has made rapid progress in the field of higher education.

In the age of globalization and promotion of excellence in the academic contributions, the importance and value of quality education need to be emphasized. It is necessary that we should change with the time and develop ourselves in all respects to face the challenges of time. I remind few lines of the poem 'The Professor' by Nissim Ezekiel,

"We have to change with times.  
Whole world is changing.  
In India also We are keeping up.  
Our progress is progressing.  
Old values are going, new values are coming.  
Everything is happening with leaps and bounds."

Jaleswar College promises to develop the knowledge of the aspirant students who will take admission in this college. My only vision is to empower the students and to motivate them to accommodate themselves to the changing needs of present time. With this vision I have been serving in this college as a principal since 1991.

I am very glad to inform that the College has been affiliated to Gauhati University in the year 1996 and accorded permanent affiliation in the year 2012 and also obtained UGC affiliation under 2(f) & 12(b). The college has been accredited by NAAC and achieved grade 'B'.

At last but not the least I offer my best wishes to the students who are aspiring to take admission in our college. I offer my warm regard to the Hon'ble Ex- Minister, Assam, Late Afzalur Rahman who has established this college, well-wishers, faculty members as well as office staff of our college for extending their co-operation.

Dr. Abdul Mannan, M.A, Ph.D  
Principal  
Jaleswar College, Tapoban

## **A Brief History of the College**

Jaleswar is situated in a riverine area of the mighty Bharamaputara in Goalpara District. The people in this area are backward socially, economically as well as educationally. There was no any institution of Higher Education in Jaleswar. At that time Hon'ble Afzalur Rahman was an MLA of Jaleswar Constituency who keenly observed all the scenario of his constituency and tried heart and soul to fulfill the entire aspects. In order to educate the poor and down-trodden people of the constituency, Afzalur Rahman decided to establish such kind of institution which is the part and parcel to develop the society. His high and philosophical thinking and love for the people encourage him to face any challenge to establish a college in such remote area. The needs of the people came to his soft heart spontaneously and take a bold step to establish a college.

In the year 1981 his only dream came to true. He constituted a committee of the college and named the college as 'Jaleswar College, Tapoban'. A committee was constituted with required members. Afzalur Rahman was the President of the committee and the secretary was Atowar Rahman. The founder Principal of the college was Abdullah Saleh Uddin and the others were come voluntarily to serve the college. He had purchased 24 Bighas of land at his own expense. He had constructed temporary shed on the said land and started H.S and B.A 1st year classes. This shed was damaged by cyclone twice but reconstructed with full shape and the class was running smoothly. The college was started with eleven departments i.e English, MIL. Assamese, Hindi, History, Economics, Political Science, Arabic, Education, Mathematics, Linguistics and Philosophy. The classes started from 14th August 1981. There are only few students who admitted in the HS 1<sup>st</sup> year class. Only few students were admitted in the BA 1st year. The college has been running smoothly.

To run the college he constituted H.R. Trust in the name of his father Habibar Rahman. He collected the money and deposited in the Trust from his salary, T.A etc and business. The patron bears all the affairs to maintain the college with his strong personality. He bought total 45 Bighas of land for the college. The present building was constructed in 1992 while he was the Panchyat and Rural Development Minister of Assam. He conducted all and every aspect of the college with the help of 'Habibar Rahman Trust'. But the most interesting thing is that he would not take any contribution from others. His sacrifice for the college is admirable. He is dedicating his valuable time to the family of the college. He also preferred to reside the lecture in the additional parts of the college building. He has no daughter so he always said, "Jaleswar College is my daughter". His thinking caters the need of the future generation. It is an immortal sign of the patron.

But in 1991 the present Principal Dr. Abdul Mannan, was appointed. After that the rest of the professors were appointed. As per Govt. rule Higher Secondary section was separated from the college in 1996. The college affiliated to the Gauhati University in 1996. The University offered the centre of the examination in 1994. The college was provincialised on 01-01 2013.

## **ABOUT FOUR-YEAR UNDERGRADUATE PROGRAMME (FYUGP):**

The course structure of FYUGP is built on the Choice-Based Credit System (CBCS) under Gauhati University based on the NEP (National Education Policy-2020). Though, the FYUGP is basically a CBCS, it is radically different from the courses running under CBCS. Namely, it does not differentiate between so-called Honours and Pass courses existing under CBCS.

### **Duration:**

While under CBCS, Degree course has a 3-year degree programme but in the NEP's FYUGP, it is a 4-year degree programme.

### **Exits & Entries:**

Under CBCS, one needs to complete the full 3-year programme in order to get a degree. There was no provision for dropping out of the programme in the middle. While in the FYUGP, one has choice to exit from the programme thrice. A student has a (Academic Bank of Credit) ABC where his/ her marks will be stored and he can exit and re enter in this programme then his/her marks will continue from his ABC. One has to exit from the programme after one year, after two years and after three years. If one exits the programme after one year, one gets a certificate. If one exits after two years, one gets a diploma. If one exits after three years, one gets a Bachelor's Degree and finally if a student completes the whole 4-year, one gets a Bachelor's Degree with Honours.

**IMPORTANT:** If one exit in the middle, the doors are still open for him/her to enter into the programme again and he/she can start the journey from where he/she left.

### **Four-Year Undergraduate Programme (FYUGP):**

#### **ABC (Academic Bank of Credits)**

The GU-FYUGP is directly connected to the ABC (Academic Bank of Credit) as notified by the UGC. All credits a student earn at the end of an examination in GU-FYUGP, will be deposited in the ABC by the university.

As such it is mandatory that a student under GU-FYUGP register for the ABC a notified by the regulatory agencies.

#### **Progression and exits**

The progression and exits during the whole course structure is given below.

##### **(a) After 1 Year**

One can exit just after one-year. In this case, the student will have to complete one extra Vocational Skill course (Exit Course) of 4 credits and can exit the programme. The student will get a Certificate. The minimum total credit requirement is 44 (and 4 credit extra for the exit Vocational/Skill course).

##### **(b) After 2 Years**

One can exit the programme after two-year course as well. In this case, the student will have to complete one extra Vocational / Skill course of 4 credits and can exit the programme. The student will get a Diploma. The minimum total credit requirement is 84 (and 4 credits extra for the exit Vocational/Skill course).

### **(c) After 3 Years**

If a student completes 3 years, s/he can exit the programme. In this case the student will get a Bachelor's Degree. The minimum total credit requirement is 120.

### **(d) After 4 Years**

After completion of 4 years, the student gets either a Bachelor's Degree (Honours) or a Bachelor's Degree (Honours) with Research. The minimum total credit requirement is 160.

It should be noted that any certificate/diploma/degree is awarded only if the student clears (ie, passes) all the required courses (papers) till that point of time.

### **Credit Framework:**

Each semester of a 4-Year Bachelor Degree (FYUGP) course will have a maximum of 22 credits with a total of 132 credits for 3-Year Degree Course and 176 credits for a 4-Year Degree Course. Apparently, the Masters Course will have 44 credits in a year with a total of 88 credits in two years. The baseline for total credits is 120 for a 3-Year course and 160 for a 4-Year course. So, a student can choose to have a total credit between 120 and 132 by the end of a 3-Year.

### **Bachelor Degree course**

The basic division of credits for a 3-Year Bachelor Degree course is shown in figure alongside. The basic division for a 4-Year course is shown in Fig.fig: Division-of-credits-1 and fig: Division-of-credits-1-1. In the 4th year, there are however two options - (a) Degree with Honours and (b) Degree with Honours and Research. Overall, a 3-Year Degree course consists of two sections-a Core Section and a Common Section. While the Core Section consists of Major and Minor papers, the Common Section is divided into 5 sub-groups.

### **Internship:**

All students is to carry out an internship with a credit allocation of 4. Degree with Major / Minor 120 Credits
